

I register / I log in

1

I enter **only once and for all** my information to be contacted again by Simon Genetic, to log in again easily and to navigate freely through the website

Enchères en cours

Ma recherche

I follow the bidding /
I discover the Cowllection

I can follow the ongoing sales but also filter the animals according to my favourite criteria and discover Simon Genetic's selection sorted for me

2

3

I can look at the available animals
(picture, video, pedigree)

Animal 1 / 18

Animal suivant

I can navigate between the animals of my personalized selection via the button "**Suivant**"

Ajouter à ma sélection

I can set aside an animal that interests me on my selection to find it easily again later via the button "**Ajouter à ma sélection**"

4

I can take part in the auction sales and have the opportunity
to acquire one of these amazing specimens!

Je veux être contacté par
Simon Genetic !

I can be **called back** by Simon Genetic before making an offer

Faire une offre !

I can bid directly from home !

As soon as a user bids on **an animal**, a 48h count down will be launched on **that animal** at 7 PM! Then other people will be able to bid higher...

Every **new bid** will add **3 minutes** in the last **24h** to the count down : so be careful !

Vous avez la main !

Vous n'avez plus la main !

Those messages on the website will indicate if the auction is **yours** or not

E-mails alerts will ensure you won't miss anything on your auction sales!

Of course, at any moment you will be able to
